

Global Payment Inc.

“Leave all the payment processing to us and start focusing on your sales”

We offer payment services for the Internet merchant, MOTO and Card Terminal needs !

ABOUT US

We offer flexible credit card acceptance options allowing merchants to provide their customers with a wide range of payment facilities. With a full-service help desk and outstanding customer service supports, merchants now can enjoy hassle-free payment processing whenever and wherever.

Our Payment Services Include:

➤ **Mobile Payment Solutions**

Turn your PC, laptop, smart phone, iPad or any other mobile devices into a virtual POS terminal.

➤ **Credit Card POS Terminal**

The POS, VEGA 5000, offers true portability and multi-application functionality in a fully integrated terminal in the palm of your hand.

➤ **Prepaid Card Solutions**

Just top-up with necessary funds and use it for all the things you use cash for – shopping, bill payment or everyday purchases.

➤ **Dynamic Currency Conversion**

DCC Is a multi-currency credit card processing system that allows your customers to pay in their local currency.

➤ **And more...**

WHY US?

- ✓ We offer competitive Merchant Discount Rate.
- ✓ Wide range of payment solutions to meet every unique need.
- ✓ Well trained and experienced customer services team to assist all your queries.
